

## Paul Barker

Accredited Executive Coach  
NLP Practitioner  
Director of Coaching (FTSE 250 company)  
Ex - Managing Director  
Ex - Advanced Technologist

### Profile

Paul Barker is an accredited executive coach with extensive experience of coaching Chief Executive Officers and senior level executives internationally. He has designed and delivered a broad range of business performance and leadership development programmes for FTSE 250 clients such as Jones Lang Lasalle, Rentokil, Logica and Steria.

Paul has over 23 years experience in the IT, Financial Services and Telecommunications industries, including project management, consultancy, sales & marketing, account management and senior line of business Director roles. Prior to joining 121partners as Lead Partner, Paul was Director of Coaching for a global IT Services company.

This track-record gives Paul a rare combination of senior business management and HR experience, enabling him to gain respect and interact credibly at Board level. His project management skills enable him to design, implement development programmes using diverse teams of internal and external specialists where necessary.

In Paul's early career, he specialised in the business application of new technologies, became a regular circuit speaker and earned a place in the top 50 global influencers in Mobile Business. Paul now brings this same spirit of innovation, belief and business focus to the rapidly developing and dynamic world of leadership and talent development.
