

**Robin Evans MBA**  
Corporate and Executive Coach

## Profile

Having experienced the 'cut and thrust' of business in a dynamic multi-national automotive organisation, Robin has been able to integrate his knowledge and coaching skills to help clients develop winning strategies and achieve compelling goals. He has been fortunate to work with a range of clients from Senior Executives and Solicitors to Business Owners and Consultants. The "external" issues have ranged from business purchase and business sale to the many levels on which 'lack of confidence' manifests itself in the business world.
